ORDER

In view of the increase in number of COVID cases it is imperative that adequate supply of PPE Kits, Gloves, Masks, Sanitizers and RAT kits are made available to the medical and support staff.

In order to maintain uniformity in rates and also maintain quality it has been decided that the procurements will be made centrally through CPA. All the concerned hospitals are therefore directed to assess and send their requirements to the CPA immediately, latest by 16.04.2021 so that the items can be procured timely.
