F. No. 4/PH-IV/DHS/2013-14/114633-37

Dated: 28.08.2015

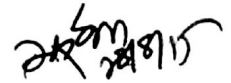

OFFICE ORDER

In the light of upsurge of Dengue cases in Delhi, all the hospitals which are designated as sentinel surveillance centres shall increase the number of beds available for dengue cases so as to accommodate large number of cases requiring admission in their institutions. The routine admissions and operations will also have to be curtailed to accommodate such patient.

Further all the private hospitals registered under Delhi Nursing Home Registration Act 1953 are also directed to increase their surge capacity upto 10 beds in smaller and medium size hospitals and more in bigger hospitals as per the requirement.

All the hospital may ensure that the patients suffering with dengue fever requiring admission are not denied admission due to lack of beds.

Issued for strict compliance.
