PREFACE

It is a matter of immense pleasure to bring out the fourth edition of the "Health Facilities in Delhi". This Publication contain the information on health outlets functioning under State, Central Govt., Autonomous bodies of State and Central Govt., Non-Govt. Organizations including private sector compiled on the basis of Districts and Assemblies.

In National Capital Territory of Delhi, health care services are being provided by a number of agencies functioning under State and Central Govt., Local Self Government Bodies (MCD, NDMC, Cantonment Board), Non-Govt. Organizations including private sector. In Delhi, Private Sector has also evolved as an important health care provider to the citizens of Delhi. To enumerate these facilities in a single publication and to correlate them is an uphill task especially, when many of these are working independently. In order to have the panoramic picture of health care services in Delhi, such a compilation becomes necessary.

I congratulate Dr. Arun Banerjee and his team for bringing out this publication. For SHIB, it is an achievement which despite acute shortage of staff in the branch and heavy work load have been successful in bringing out this publication. The efforts of staff of SHIB and Computer Cell, Sh. J. K. Arora, Statistical Officer, Sh. M. M. Chandra, Programmer, Sh. Vijay Kumar, Prog. Asstt. 'B', Ms. Ratna Bhattacharya, PHN, Sh. S. K. Aggarwal, Statistical Assistant, particularly in scrutiny & compilation of data and information and Ms. Shw eta Suman, Stenographer for decent typing work are appreciated and lauded.

Suggestions for further improvement of this publication are always welcome and will be appreciated.
